* the Targets for 2017 are for Grade 5 or more (this takes high grade C's into consideration).									
** figures are published with the 2016 Logic. This should be treated with caution as the attainment points awarded in 2017 will be different to that of 2016. For example, grade C would have been awarded a point 5 in 2016, but would be awarded point 4 in 2017.
