

## C1 KO: To consolidate/secure your ability to manipulate quotes to suit a point of view

1. Look at the quote on the top of each slide
2. In your pairs/groups decide which specific topics you can use the quote for.  
Aim for three topics per quote.
3. Write the quote in a spider diagram (example on next slide) and briefly explain which topic you can use it for and why
4. The purpose of this activity is to help you memorise a selection of general quotes that you can manipulate/use in different questions.
5. This will help you memorise quotes, topics and themes

**RE KO: To consolidate/secure your ability to manipulate quotes to suit a point of view**
