Dear Parent/Carer

Re: Closure of Kuhn Way

We'd like to draw your attention to the temporary closure of Kuhn Way (which runs between the school's main site and the astro-turf) for 9 months starting from Monday 10th June 2019.

The closure of Kuhn Way may affect your child's journey to and from school as they will have to walk along Brooking Close and Woodgrange Road, to access the main school entrance. **If your child walks through Kuhn Way to get to school, you will need to ensure your child leaves home in plenty of time to walk along the diversion and arrive at school by 8:30am.**

The closure of Kuhn Way will be taking place to allow for the construction of the new sports amenity deck, changing facilities and new bridge link between the main school site and the astro-turf. These building works will provide our students with additional play space whilst improving the sports facilities we have to offer to develop the sporting talents of our students. You can find out more about the closure by reading the School Expansion Newsletter which is available on our school website, in the announcements section.

Yours sincerely

Mr Shahid Hussain
