

Forest Gate Community School

Forest Gate Community School Anti-Bullying Policy

1.0 Mission Statement

Forest Gate Community School is a learning community, where our students have high aspirations for themselves and each other. All of our students have the right to grow into well-informed, confident individuals, who are able to demonstrate independent learning and responsibility in their attitudes towards one another.

2.0 Statutory Framework

Every school must have measures in place to prevent all forms of bullying. Section 89 of the Education and Inspections Act 2006 states that maintained schools must have measures to encourage good behaviour and prevent all forms of bullying amongst students. These measures are part of the school's behaviour and anti-bullying policies which must be communicated to all students, school staff and parents. Head teachers have the capacity to discipline students for bullying behaviour even when the student is not on school premises or under the lawful control of school staff.

3.0 Rationale

Forest Gate Community School This School is completely opposed to bullying and will not tolerate it. It is entirely contrary to the values and principles we work and live by. All members of the school community have a right to work in a secure and caring environment. They also have a responsibility to contribute, in whatever way they can, to the protection and maintenance of such an environment.

4.0 Mission Statement

The school actively promotes positive interpersonal relations between all members of the school community. This policy has been developed through consultation which involves all members of the school community – children/young people, parents/carers and all school staff.

5.0 Principles:

The school has a zero-tolerance attitude to bullying. In this respect, this policy is intended to achieve, in terms of outcomes;

- **For students:** To learn in a safe and calm environment that is free from disruption and in which education is the primary focus. In addition, this policy is designed to enable students to recognise bullying is occurring, how to get help and when to support a victim. Bullied victims will be listened and reported incidents will be taken seriously and will be thoroughly investigated. Following investigation, the bully will receive appropriate interventions and sanctions
- **For staff:** To effectively perform the multiplicity of roles to enhance learning and teaching of students in a safe, respectful and enriching school
- **For parents/carers:** To be secure that their children are safe, happy, achieving well, fully participating and are gaining skills to enhance their future study and employability.

To help meet our principles we have established an effective and efficient system of communication with students, staff, parents and appropriate agencies to provide mutual information, advice and support.

6.0 Definition of Bullying

Bullying is an act of aggression, causing embarrassment, pain or discomfort to someone. It can take a number of forms; physical, verbal, making gestures, extortion and exclusion. It is an abuse of power. It can be planned and organised, or it may be unintentional. It may be perpetrated by individuals or by groups of pupils.

7.0 The following are examples of bullying which we aim to prevent:

- Physical violence such as hitting, pushing or spitting at another pupil
- Interfering with another pupil's property, by stealing, hiding or damaging it
- Using offensive names when addressing another pupil
- Teasing or spreading rumours about another pupil or his/her family
- Belittling another pupil's abilities and achievements
- Writing offensive notes or graffiti about another pupil.
- Excluding another pupil from a group activity
- Ridiculing another pupil's appearance, way of speaking or personal mannerisms
- Misusing technology (internet or mobiles) to hurt or humiliate another person.

Other actions may be construed as bullying, that are not included in this list.

8.0 Procedures and consequences

- Students must report bullying incidents to staff. Staff, are required to allow students to talk and be listened to in confidence.
- All incidents of bullying will be recorded electronically on SIMS, even if the incident is minor
- Bullying and threats must be investigated and immediately stopped. A separate report of the investigation will be sent to the Assistant Head teacher responsible for anti-bullying, to allow patterns of school bullying to be collated and identified
- The Head of Department or Head of Faculty should be informed if bullying occurs within a particular subject. This should also be recorded on SIMS. The Head of Learning and Student Manager are notified via SIMS if bullying behaviour is more generic, and occurs in other subjects or locations around the school.
- The victim of bullying will be supported to raise their self-esteem through skills-improving activities or counselling. An attempt will be made to help bullies change their behaviour, helping them to recognise that they are masking a problem which they must deal with by developing cooperation skills.
- A range of sanctions (as detailed in the school Behaviour Policy), will be applied to people who bully. Where appropriate, bullies will apologise to their victim and bullies and their victims will be reconciled.
- Parents, both of the victim and bully, should be informed in all cases. The former will be reassured that school is dealing with the bullying issue. Parents of the student who is the bully, will be asked to discuss the problem with them and to attend an anti-bullying or an anti-gang course, if appropriate.
- In serious cases exclusion will be considered, and if necessary and appropriate, the police will be informed.
- We will educate students about the need to report bullying, through our assemblies
- Students can report bullying anonymously and confidentially, via the email address, line reportit@forestgate.newham.sch.uk
- A member of staff will check the email every day and the case will be investigated.

- Staff should do their best to prevent bullying before it occurs, by being punctual to lessons and supervisory duties and having a well organised classroom. Staff ought to praise cooperative, inclusive, non-confrontational behaviour; take every opportunity to publicly acknowledge that bullying is not acceptable, and encourage the ethos of 'telling'.
