

GOOGLE MEET GUIDANCE

Follow these steps when connecting with your teachers online

READY TO LEARN

Find a quiet place to study before your lesson begins. Ideally, be sat at a desk, away from noise and distraction.

VOLUME, VIDEO & MIC

Test your speakers and headphones ahead of time.

When you join the video call, turn your mic and camera off. You can switch your mic back on if you want to ask a question.

EQUIPMENT

Have your books, pens and knowledge map ready before the lesson starts. Be prepared.

CHAT

Use the chat feature to alert your teacher to any questions or problems you might have.
